CAR-FREE LIVING PROGRAM

Get \$100 Every Month to take care of you!

At Parkmerced, we are committed to creating a more sustainable community for our residents.

UBER

Uber is convenient for commuting, running errands, visiting friends or for a night on the town. For a limited time during San Francisco's stay at home order, CFL participants are able to allocate CFL credits to UberEATS. As an additional benefit, all Parkmerced residents get a \$5 UberPool rate between Parkmerced and the Daly City and Balboa Park BART stations

CLIPPER

The Clipper card is a reloadable smart card used for electronic transit fare payment in the San Francisco Bay Area. Clipper makes it easy to ride public transit including: Muni, BART, Caltrain, SamTrans, AC Transit and more, as well as paywheels, the region's bike share system.

ZIPCAR

Instantly book cars near you! Zipcar is the world's leading car-sharing network. They provide on-demand access to cars by the hour or the day in cities and campuses around the globe. Join in minutes, drive on demand, and return once you're done.
